

Profile: Pat Piaskowski is the Network Coordinator for the Northwestern Ontario Infection Control Network. Pat has extensive experience working in infection control in both acute and long-term care settings and is an active and accomplished member of the Community and Hospital Infection Control Association (CHICA) – Canada. Serving on numerous local, provincial and national committees and task forces and authoring toolkits and articles published in CJIC, Pat's first-hand experience and knowledge makes her an appropriate and dynamic speaker on the topic of Routine Practices and Additional Precautions.
